*Content is applicable for domestic and international contexts.

What's involved

Participate in an intense, interactive learning environment that will cover:

- Industry awareness: Learn about key sector trends and opportunities. Find your niche.
- Humanitarian career action plan: Individualised guidance on the development of your runway to success. We will guide you in strategically selecting targeted tactics to become a well-rounded candidate.
- Application documentation optimisation: Bespoke work on your core documents - jump straight to the top of the pile.
- Interview preparation: Strategies and practice to make the most of your interview opportunities.

Who it's for

“How do I build my International Development career?”

“How do I get a foot inside the Humanitarian industry door?”

“How can I be truly strategic with my career?”

Sound familiar?

With Humanitarian Institute you'll meet others who share your passion and get the support you need to build a successful Humanitarian career.

This workshop is relevant for recent graduates, those transitioning from another career, and Development practitioners.

How we help

1. Expert support: Work with Mentors who know exactly what Humanitarian employers are looking for.
2. Learn from the best: Engage with the very best Aid professionals to maximise your job potential.
3. Build confidence: Mentors support your professional development and personal confidence.
4. Career targeting: Mentors advise and direct your international career goals and pathways.
5. Pursue your passions: Achieve a purpose driven career with a strategic and structured approach.
6. Motivation and drive: Challenge yourself to achieve your dreams.
